

Access Technologies Pvt. Ltd. Sample Internal Policies & Documentation

This document contains sample company policies and internal documentation created for demo and project testing purposes only. All names, departments, employee IDs, and procedures in this document are fictional.

1. Employee Code of Conduct

Employees are expected to maintain professionalism, integrity, and confidentiality while performing company duties. Harassment, discrimination, or misuse of company resources will result in disciplinary action. Employees must comply with all IT and security policies during working hours.

2. Information Security Policy

All employees must use strong passwords and enable multi-factor authentication where applicable. Sharing credentials is strictly prohibited. Company devices should be encrypted and updated regularly. Any suspected data breach must be reported to the IT Security Team within 1 hour.

3. Remote Work Policy

Employees working remotely are required to remain available during core business hours from 10:00 AM to 6:00 PM. VPN access must be used when accessing internal company resources. Company-issued laptops should not be shared with family members or external users.

4. Leave and Attendance Policy

Employees are entitled to 18 paid leaves annually along with national holidays. Sick leave requests should be submitted through the HR portal. Unapproved absence for more than 3 consecutive days may lead to disciplinary review.

5. Data Retention Policy

Client records and financial documents must be retained for a minimum period of 7 years. Internal project documentation should be archived quarterly. Unauthorized deletion of records is prohibited.

6. Sample Employee Directory

Employee ID	Name	Department	Role	Status
